

Product Name: DELTRAP
Date of Preparation: 20.04.2016
Revision No: 00
MSDS No: 2016-01

Prepared in accordance with the "Regulation on the Preparation and Distribution of Safety Data Sheets for Hazardous Substances and Mixtures" published in the Official Gazette dated 26 December 2008 and numbered 27092 (repeated).

MATERIAL SAFETY DATA SHEET

1. SUBSTANCE / MIXTURE AND COMPANY / UNDERTAKING IDENTIFICATION

Product Name: DELTRAP
Intended Use: HOUSEFLY TRAP
Chemical Group: _____
License Holder: DELTA PEST CONTROL AND ENVIRONMENTAL HEALTH SERVICES – DISINFECTION, LANDSCAPING, CLEANING, BIOSIDAL WHOLESALE SALES AND TRADE

Address: 1832 Street No:28/A Bahçelievler, Karşıyaka / İzmir
Tel: 0 232 999 34 48
Fax: 0 232 999 34 48
E-mail: info@deltailaclama.com.tr
Web: www.deltailaclama.com.tr

Manufacturer Company: DELTA PEST CONTROL AND ENVIRONMENTAL HEALTH SERVICES – DISINFECTION, LANDSCAPING, CLEANING, BIOSIDAL WHOLESALE SALES AND TRADE

Address: 1832 Street No:28/A Bahçelievler, Karşıyaka / İzmir

Emergency Telephone Number: UZEM (NATIONAL POISON INFORMATION CENTER) 114

2. HAZARD IDENTIFICATION

Possible Hazards:
Label Elements:

⚠ WARNING

H315: Causes skin irritation.

H332: Harmful if inhaled.

P264: Wash hands thoroughly with plenty of soap and water after handling.

P270: Do not eat, drink or smoke while using this product.

P271: Use only outdoors or in a well-ventilated area.

P280: Wear protective gloves/protective clothing.

P281: Use personal protective equipment as required.

P363: Wash contaminated clothing before reuse.

P301+P312: IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.

P302+P352: IF ON SKIN: Wash with plenty of soap and water.

P370+P378: In case of fire: Use spray, foam, dry powder, carbon dioxide or sand for extinguishing.

Product Name: DELTRAP
Date of Preparation: 20.04.2016
Revision No: 00
MSDS No: 2016-01

Prepared in accordance with the "Regulation on the Preparation and Distribution of Safety Data Sheets for Hazardous Substances and Mixtures" published in the Official Gazette dated 26 December 2008 and numbered 27092 (repeated).

3. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical Structure: ----

Active Substance	Concentration (g/kg)	CAS No	EC No
Fish Meal	800	—	—

4. FIRST AID MEASURES

General: Call UZEM (National Poison Information Center) at telephone number 114.

Remove the casualty from the hazardous area immediately.

Remove contaminated clothing at once.

Do not give anything by mouth to an unconscious person.

Eye Contact: Rinse eyes thoroughly with plenty of water for 15–20 minutes.

If contact lenses are present, remove them after the first rinsing and continue washing with plenty of water.

Consult a physician immediately.

Skin Contact: Remove contaminated clothing.

Wash the affected skin area with plenty of soap and water for 15–20 minutes.

If irritation or symptoms persist, seek medical attention.

Inhalation: Move the affected person to fresh air immediately.

Ingestion: Do not induce vomiting.

Consult a doctor immediately.

Information for the Physician

- For toxicological data, see **Section 11**.
- Chemical group of active substances: —
- **Treatment Measures:** Remove from contaminated area, treat symptomatically according to clinical signs.
- **No specific antidote known.**
- Apply **symptomatic treatment**.

5. FIRE-FIGHTING MEASURES

Extinguishing Media:

Use **spray, foam, dry powder, carbon dioxide, or sand** to extinguish the fire.

Hazardous Combustion Products:

During fire, **carbon monoxide (CO)** and **carbon dioxide (CO₂)** gases may be released.

Fire-Fighting Methods:

Do not inhale the gases generated during fire or explosion.

During fire-fighting operations, always wear proper protective equipment that provides respiratory protection.

Additional Recommendations:

If possible, remove containers from the area of fire.

Keep unopened containers cool by spraying water.

If not possible, use sand and soil together to minimize spread.

Avoid letting contaminated fire extinguishing water enter the environment; dispose of properly according to local regulations.

Product Name: DELTRAP
Date of Preparation: 20.04.2016
Revision No: 00
MSDS No: 2016-01

Prepared in accordance with the "Regulation on the Preparation and Distribution of Safety Data Sheets for Hazardous Substances and Mixtures" published in the Official Gazette dated 26 December 2008 and numbered 27092 (repeated).

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions: Use personal protective equipment specified in **Section 8**.
Avoid eye and skin contact.
Do not walk on spilled product.
Remove unprotected personnel from the area immediately.
While using the product, **do not eat, drink, or smoke**, and always wear personal protective equipment.

Environmental Precautions: Prevent the material from reaching **drains, surface water, or soil**.
Keep away from **ignition sources**.
Collect spilled material using **sand, sawdust, or other absorbent materials**.
Place the collected material in suitable containers for disposal.

Cleaning Method: Cover the contaminated area with an **absorbent material** (such as sand, soil, or appropriate absorbent).
Clean the contaminated area, equipment, and objects carefully in accordance with environmental regulations.
Collect all residues and wastes for proper disposal.

7. HANDLING AND STORAGE

Handling: No specific precautions are required for unopened packages; follow proper usage instructions.
After handling, before eating, drinking, or smoking, **wash hands thoroughly with soap and water**.
Keep the product away from **open flames and heat sources**, as it may burn easily.
Ensure good ventilation.
Avoid smoking.

Storage: Store in **cool and dry places** in tightly closed **original containers**.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Technical Protective Measures

Refer to **Section 7 "Handling and Storage."**

Workplace Exposure Limits

Refer to **Section 15 "Regulatory Information."**

Control Measures

Provide adequate ventilation in working areas.
Ensure that suitable equipment (such as eyewash stations and safety showers) is available in case of accident.

Respiratory Protection

Use an appropriate **protective mask**.

Hand Protection: Use **PVC gloves**.

Eye Protection: Use **goggles and mask**.

Skin and Body Protection: Wear **protective clothing and PVC apron**.

Avoid contact with the product.
Keep work clothes separate from everyday clothing.

General Hygiene and Safety Precautions: Do not eat, drink, or smoke while handling the product.

Avoid contact with skin.
Wear **closed work clothing**.
After handling, **wash hands and face thoroughly** before breaks or at the end of work.

Product Name: DELTRAP
Date of Preparation: 20.04.2016
Revision No: 00
MSDS No: 2016-01

Prepared in accordance with the "Regulation on the Preparation and Distribution of Safety Data Sheets for Hazardous Substances and Mixtures" published in the Official Gazette dated 26 December 2008 and numbered 27092 (repeated).

9. PHYSICAL AND CHEMICAL PROPERTIES

- Physical State:** Powder form.
- Appearance:** May show color variation. It may be smoky or brownish.
- Odor:** Characteristic odor.
- Flash Point:** Non-flammable.
- Water Solubility:** Insoluble in water.
- Particle Size:** The product is solid and not in granular form.
- Explosion Hazard:** Not explosive.

10. STABILITY AND REACTIVITY

- | **Reactivity:** | When stored and used as specified, does not form hazardous reactions. |
- | **Stability:** | Stable under normal use and storage conditions. |
- | **Conditions to Avoid:** | See Section 7 of this MSDS. |
- | **Incompatible Materials:** | None. |
- | **Hazardous Decomposition Products:** | When stored and used as specified, does not form hazardous decomposition products. |

11. TOXICOLOGICAL INFORMATION

Based on experiments and available data, **not toxicologically hazardous.**

12. ECOLOGICAL INFORMATION

Ecologically, the product has **no harmful effects on the environment.**
Can be evaluated as **domestic organic waste.**

13. DISPOSAL CONSIDERATIONS

- Disposal of the Product:**
Dispose of as household waste.
Advice and instructions may be obtained from authorized organizations.
- Disposal of Packaging:**
Dispose of as household waste.
Do not discharge residues or packaging materials into sewage or surface waters.
Do not treat contaminated packaging with other materials.

14. TRANSPORT INFORMATION

- | **ADR/RID/ADNR:** | Not hazardous. |
- | **IMDG:** | Not hazardous. |
- | **IATA:** | Not hazardous. |

Do not transport together with **food or feed materials.**

15. REGULATORY INFORMATION

The product has been classified and labeled in accordance with the "Regulation on the Classification, Packaging, and Labeling of Dangerous Substances and Preparations" published in the Official Gazette dated **26/12/2008** and numbered **27092 (repeated).**

Product Name: DELTRAP
Date of Preparation: 20.04.2016
Revision No: 00
MSDS No: 2016-01

Prepared in accordance with the "Regulation on the Preparation and Distribution of Safety Data Sheets for Hazardous Substances and Mixtures" published in the Official Gazette dated 26 December 2008 and numbered 27092 (repeated).
